The Wednesday Business Mixer

The Pond and Viki Dee are pleased to announce the return of "The Wednesday Business Mixer" for the 2013-2014 season. Of course, for the Business Mixer to be successful, the participation of local businesses and entrepreneurs, is essential, particularly as the Business Sponsor of the week.

The Wednesday Business Mixer will begin on September 25, 2013 and will continue thru May 2014. There will be a break during the holiday season.

Our goal is to make The Wednesday Business Mixer a winning event for all involved. For the local businesses and non-profit organizations, we believe that the Business Mixer can be a wonderful networking opportunity. To grow your business, there's no better place to start than by growing your own network. Networking is a well recognized way to gain exposure for your business and to meet some great new people in the process. The Business Mixer also is a sure-fire way to develop and increase customer contacts and is a means to present information to the consumer. For the consumer, it should be a great vehicle to learn more about the diversity and variety of local businesses and non-profits.

The Wednesday Business Mixer will be held at Frogg Pond from 6:00pm to 8:00pm. Viki Dee will host the event for the entire two hours and will provide entertainment. A complimentary light buffet of hors d'oeuvres will be provided by Frogg Pond. The Business Sponsor can supplement the buffet with items from the menu below.

The Business Sponsor will be asked to provide literature regarding the business, a greeter/speaker to discuss the business with customers, and door prizes. The type and number of door prizes is the sole discretion of the sponsor. As guidance, door prizes can include tee shirts, coffee mugs, discounts for services, coupons for free products associated with the business, gift certificates and the like. At least a dozen door prizes should be available. If desired, the business sponsor may augment the buffet (a buffet menu is available). A table will be set aside near Viki Dee's staging area to enable the Business Sponsor to display literature. A microphone also will be made available. The Business Sponsor also will be asked to provide a brief summary of its business for promotion purposes.

Frogg Pond will be responsible for the following items:

- * a weekly light buffet of hors d'oeuvres,
- * Viki Dee's performance fees,
- * periodic advertising in the form of at least one ad in the Cape Gazette announcing business sponsors and/or at least one fax blast through the Rehoboth Beach Chamber of Commerce announcing business sponsors,
- * weekly email blasts describing the Business Sponsor of the week, and
- * weekly advertisements in Cape Gazette's online Village Soup.

If you are interested in becoming a sponsor for The Wednesday Business Mixer, please contact Pete Borsari at 302-222-1913 or pete@thefroggpond.com.
